

CONNECTIONS CORRECTIONS!

As so often happens with publications, gremlins managed to sneak into the Girl Scouts Heart of the Hudson offices and gleefully inserted incorrect information into the fall issue of *CONNECTIONS*. Below are the items to be aware of as you page through this exciting and information-filled booklet.

Addition of a new program:

Make **Girl Scout SWAPS** (Special Whatchamacallits Affectionately Pinned Somewhere or Shared With A Pal) at Camp Wendy's Martin Lodge, Wallkill (Ulster County) on Saturday, **November 1**, from 1 to 3 p.m. All levels of girls are invited. Beverages will be served. We will be making Girl Scout gorp (trail mix) for a snack. The cost per girl is \$6 and all materials are supplied. Register either by troop or by individual girl. Registration minimum is 20, maximum 40. Register with the form in *CONNECTIONS* or online.

This would be a great time to introduce your troop to swaps and a great craft activity. With these swaps you can be ready for your next big swap event, swap exchange or swapping at camp. Swaps are a long-standing Girl Scout tradition whereby girls trade small items with each other to promote friendship. When girls swap, they make new friends, which is what Girl Scouting is all about!
